

STATEMENT OF SUPPORT

The US Customs and Border Protection (CBP) has implemented the Customs Trade Partnership Against Terrorism (C-TPAT) as a cargo enforcement strategy, program which is voluntary applicable to the public and private sectors, its objective is to strengthen the international supply chain and from US border security. Facilitating the movement of secure international cargo, adding benefits to the interested parties, that meet or exceed program requirements.

Vintage Logistics CHB inc. is a logistics company that offers services as a US Custom Broke located in Laredo Texas, our main services are the import and export of merchandise, which comply with the applicable requirements regarding foreign trade.

We strongly support the secure movement of merchandise, strengthening the international supply chain, by fully complying with the requirements of the Customs Trade Partnership Against Terrorism (C-TPAT) program and ensuring that our business partners also understand and follow these criteria.

The top management of Vintage Logistics CHB, inc. demonstrates leadership and commitment with respect to the Minimum Security Criteria of the C-TPAT program through the adequate implementation of its policies, procedures, operational controls to ensure the security in the supply chain, as well as granting the necessary resources and assign relevant responsibilities at all levels of the organization.

Sincerely,
